CORE VALUES

When looking for a solution, everyone looks for that all in one place. Even though it took months or years to develop it as a concept, we managed to gather and bring together the top notch professionals in different fields of printing.

Passion. Dedication. Craftsmanship.

About Chameleon

We're a digital printing company of creative thinkers, print & cut innovators, 3D Masters, cutting-edge designers and problem solvers.

We have the tools, skills, and experience to handle all of your printing needs. Whether you need a printed campaign, collateral, presentation materials, 3D and 2D signs, textile banners or a quality finish for your print materials, Chameleon has you covered.

Since more than a decade we've helped brands and companies to deliver their messages to the masses and shine bright in a world full of possibilities. Through digital print we have helped them make an impact and connect with their audiences through a quality printed campaign or a unique custom tailor made 3D Sign.

As for now, we are the most innovative solution on the market, with the proven expertise, highly shown results and cooperation with the best known brands out there. The whole journey lays on the details. Dedication, passion, full support, diversity and hard working hours, days and years toward the empire.

Chameleon is known and ready to adapt with the market changes and trends. Prepared and ready to answer the client's needs with the most powerful solutions. This is how that extraordinary working result is made of.

Contents

18

3D & 2D Signage

Precise to the core, one color at a time we added value to the city centre, lightened up neighbourhood spirit and raised the standard of printing industry services.

160

Neon Signage

Unique. Personalized. Magic as your Message. At Chameleon you can make it real. Create your dreamy unique neon signs and elevate your event through indoor and outdoor magic signs.

188

Digital Print and Cut

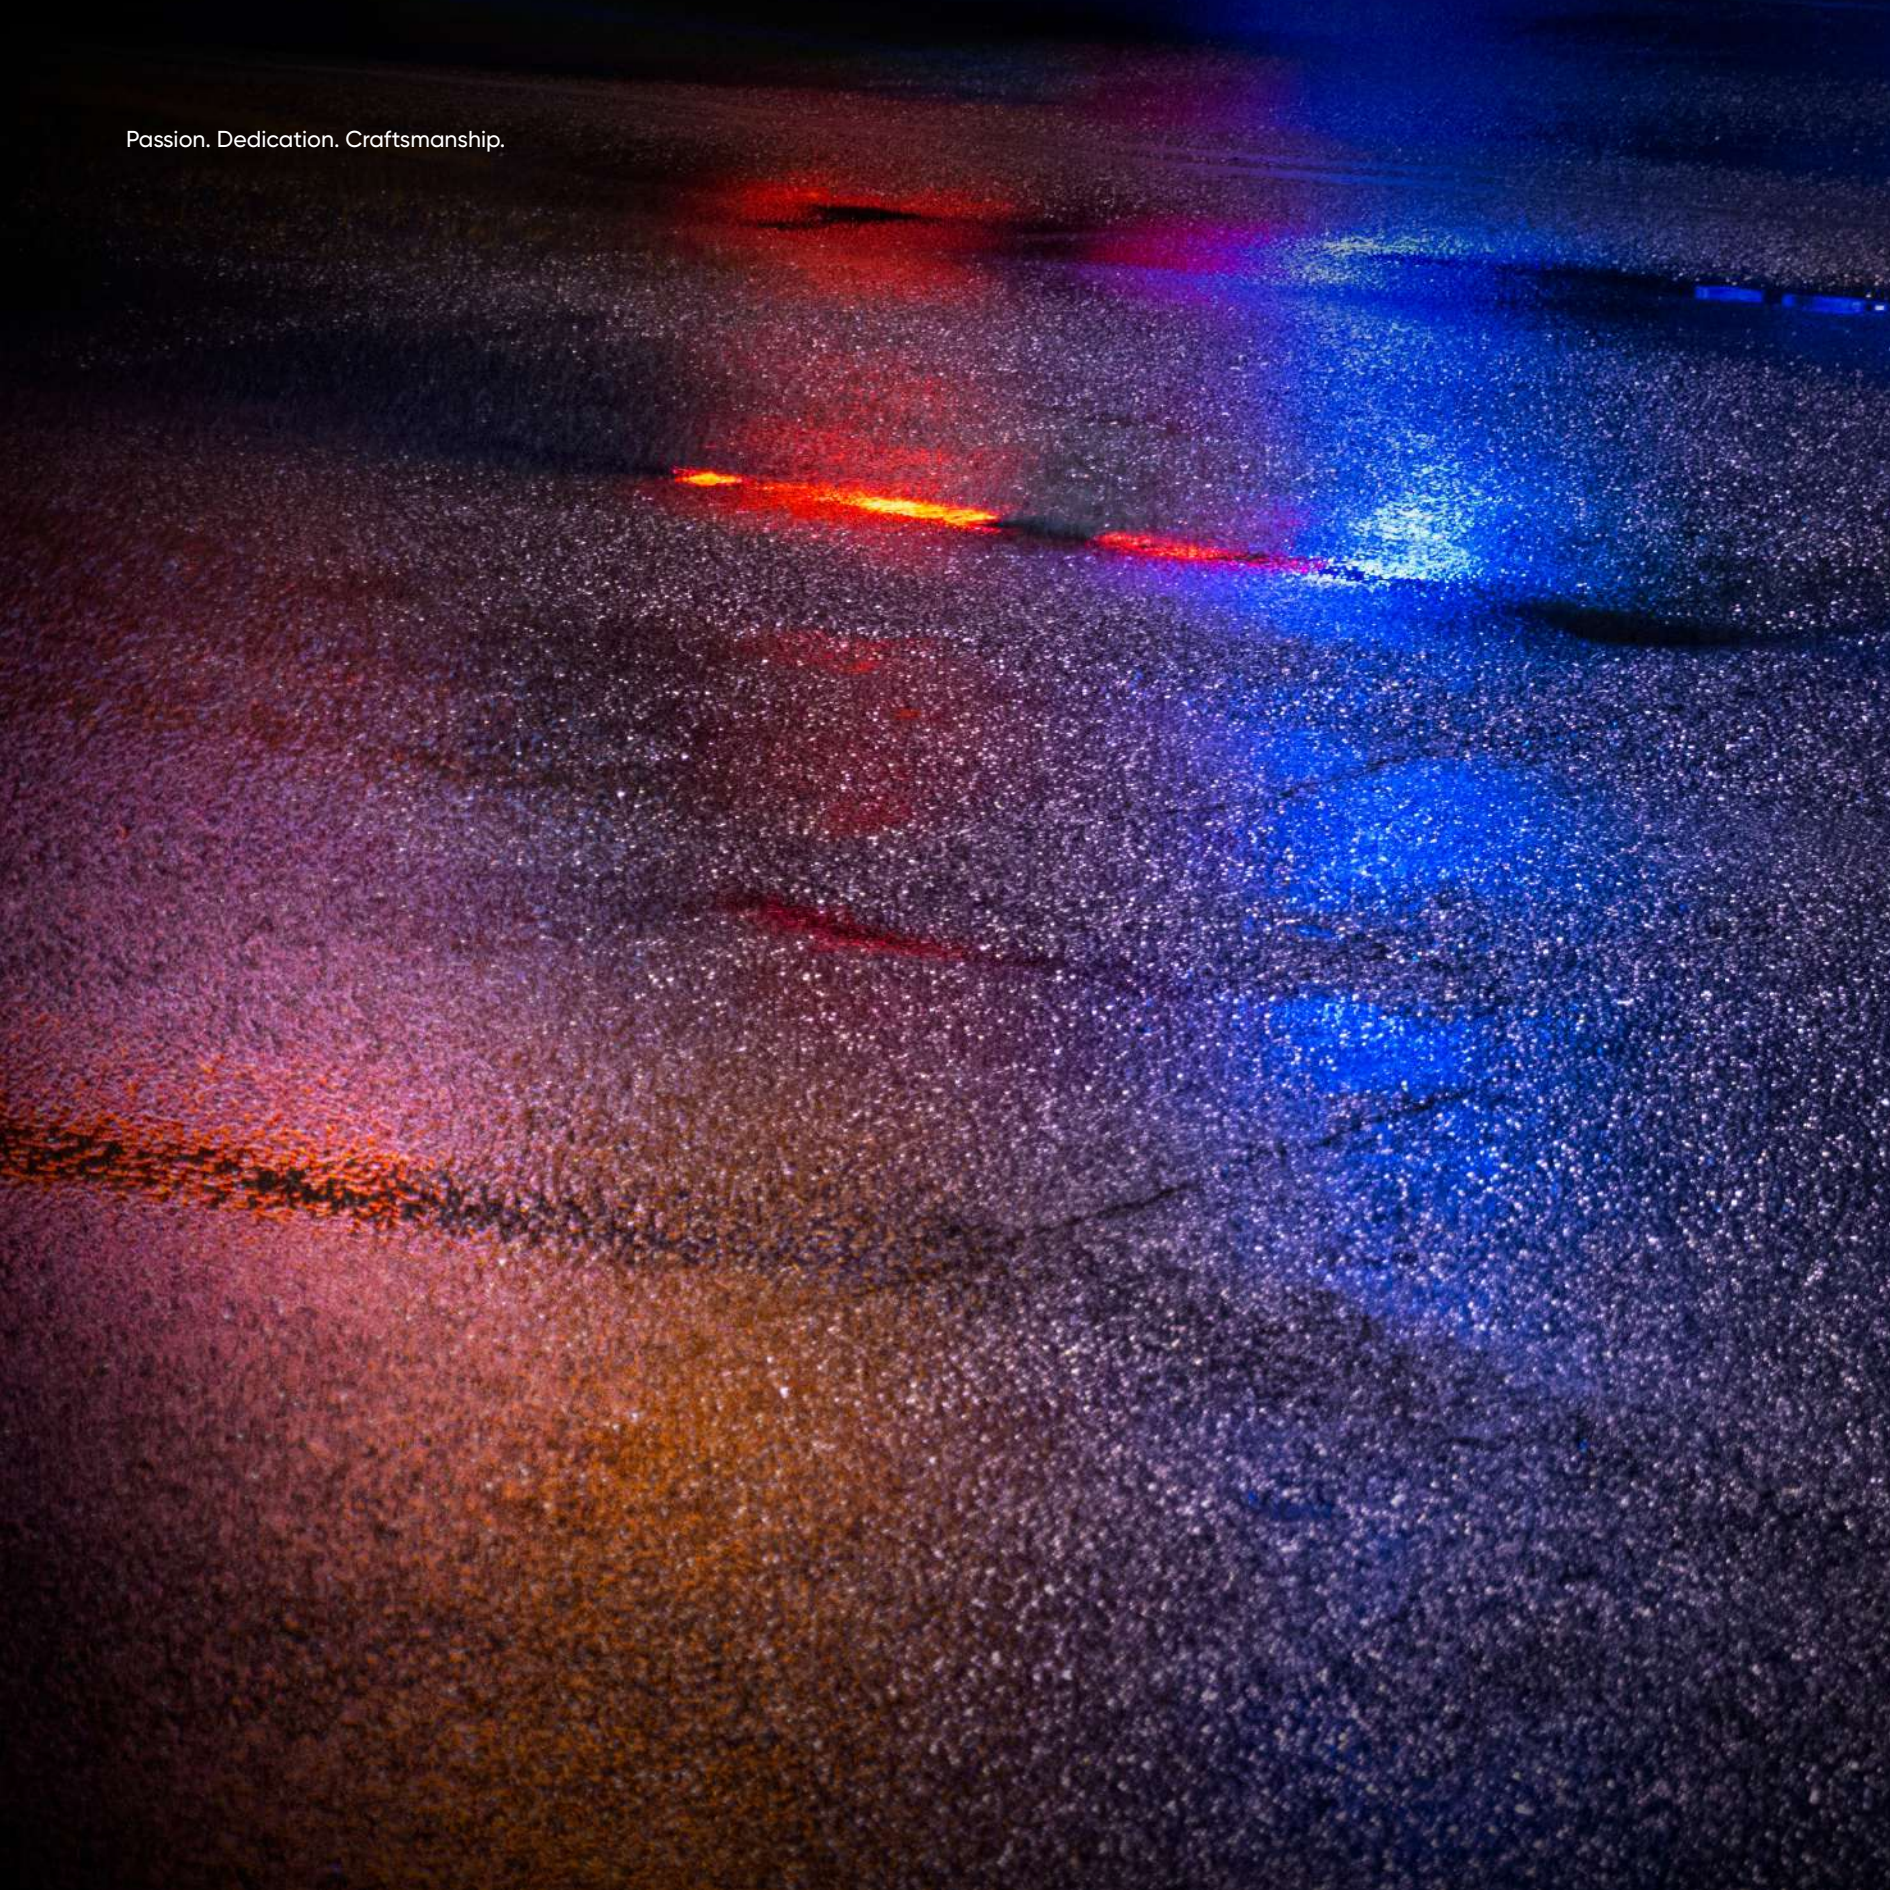

The whole journey comes in so many pixels. Completing the picture only with remarkable and chosen original content. Perfection comes in all shapes and sizes, the difference lays on the details.

272

Promotional Products

Choose what you like, we propose what you really need. Going an extra mile to create an experience, a playful lifestyle filled with moments and everyday items. We bring the best promotional materials crafted and tailored.

Passion. Dedication. Craftsmanship.

Reflection of a Masterpiece.

and companies to deliver their messages to
the masses and shine bright in a world full
of possibilities.

A black and white photograph of a building facade. In the foreground, a dark, angled surface features the 'humanpower' logo in white, glowing letters. The logo consists of a stylized icon of three vertical bars of increasing height, followed by the word 'humanpower' in a lowercase, sans-serif font. To the right of the logo, a portion of a square icon with a diagonal line is visible. In the background, a window reflects palm trees, and a textured concrete pillar is visible to the left of the window.

humanpower

The logo consists of a square frame containing a stylized white triangle pointing upwards and to the right.
